
Approved For Release 2001/11/08 : CIA-RDP91-00682R000100040057-8
Released by September 19, 1997 (cont.)

13. Met with Capt. M. H. Manchester, Editor, The Reserve Officer. Informed him that CIG is issuing no public statements on its activities, but that we would furnish an article on CIG provided that no one was informed of its source and that it would appear as routine staff work of the magazine. Manchester acceded to this request, and the article is to be prepared in time for his December issue.
